

**About Crystal Lake:**

Seven hundred and twenty eight acres of natural spring water fed *Crystal Clear* water make *Crystal Lake* the most preferred and beautiful lake in central Michigan. The five mile shoreline can be enjoyed by car, bike, boat or on foot. A Golf course, shops and restaurants offer fun and relaxation for a week-end, a week or four seasons of fun. The park overlooking the lake provides an ideal setting for family picnics and reunions. *Crystal Lake* is recognized in the top ten cleanest lakes in Michigan.

33 OR 222

**Quadrant Locator**  
 To make it convenient for you, your friends, relatives and others to find locations on or around *Crystal Lake*, the CIA has adopted a quadrant system. The result is displayed on this map. On *Crystal Lake* most homes and lots are identified in consecutive order with-out regard to the street or road they are located on. The numbering begins at the foot of Lake St. and continues to the intersection of Southshore Drive and Crystal Road. Exceptions to the numbering plan are Northwest Tack Shore subdivision and the streets located in the East Shore quadrant. We sincerely hope that this system may prove to be beneficial for you.
