

FRIGID FLOP

Daily News/Ice Veselenak

Gary Collins of Sumner leaps and splashes into a hole cut through the ice over Crystal Lake on Saturday afternoon. Thirty people raised more than \$8,400 through pledges by jumping into the frigid water. Money raised will help fund a mission trip to South Africa by members of the Resurrection Life Church in St. Louis. Water jumpers were able to warm up quickly in one of several heated trailers around the hole.
